
Press Release

Change in EMT - We continue to grow and strengthen our global presence.

A decorative graphic consisting of several overlapping, light blue, rounded rectangular shapes that resemble a stylized 'J' or a series of loops, positioned on the right side of the page.

As of 2026, the JENSEN-GROUP has reached a major milestone with revenues of half a billion Euros and close to 2,500 colleagues worldwide. This positive development reflects the trust of our customers and the dedication of our teams across all regions.

To support our next phase of growth, we are **strengthening our regional structure**. Going forward, our organization will be built around three main regions: North America, Europe, and APAC & Middle East with a Chief Operating Officer in charge of each region. Mr. Tony Biela and Mr. Bert Debevere will be joining the Executive Management Team with Tony Biela as COO of the Americas and Bert Debevere as COO of APAC & Middle East. In addition to his role as CIO of the JENSEN-GROUP, Mr. Mads Andresen will take on the role of COO Europe.

As part of this restructuring, Mr. Martin Rauch has assumed the new role of CEO JENSEN. With more than 37 years in the company, Martin brings deep industry knowledge and strong leadership experience to guide our future journey. He will work closely with Mr. Jesper Munch Jensen, who continues to act as CEO of the JENSEN-GROUP.

In addition, several colleagues have taken on extended leadership responsibilities across our regions, reflecting the strong talent and leadership continuity within the JENSEN-GROUP.

The reorganization of leadership roles and market responsibilities will strengthen the JENSEN-GROUP as it continues to provide smart solutions for spotless linen to customers around the world.

About the JENSEN-GROUP

The JENSEN-GROUP, listed on Euronext Brussels, assists heavy-duty laundries worldwide to provide quality textile services economically. We have become a preferred supplier in the laundry industry by leveraging our broad laundry expertise to design and supply sustainable single machines, systems and integrated solutions. We are continuously growing by extending our offer and by developing environmentally friendly and innovative products and services that address specific customer needs. The JENSEN-GROUP is the top-of-mind supplier when it comes to sustainable solutions through its CleanTech concept, highly automated material handling solutions as well as groundbreaking new approaches utilizing robotics and AI in industrial laundries. Our success results from combining our global skills with our local presence. The JENSEN-GROUP has operations in 22 countries and has distribution in more than 50 countries. As per December 31, 2025, the JENSEN-GROUP employs worldwide 2,469 employees.
